Many of you know Connor and his ongoing struggle with Juvenile Batten Disease.

On April 16, 2008 the Allbee family will be hosting a fundraiser at the Boy's and Girl's Club of the Truckee Meadows in an effort to raise funds for research to find a cure for Batten Disease. 100% of the proceeds from ticket sales will be donated to the Batten Disease Support and Research Association.

Through the generosity of Carson Entertainment of Las Vegas, Nevada, We have planned an evening of magic, illusions and comedy for the whole family. Garry Carson is a world renowned magician who has committed to travel to Reno to assist us in this fundraising effort.

Gather family and friends and plan to attend in support of the Allbee family in their effort to save Connor's life and other children who suffer Batten Disease.
