

Suits
Sneakers
BALL

Our Honorary Chair and University Men's Head Basketball Coach Mark Fox and the American Cancer Society are thrilled to announce the **2008 Suits & Sneakers Ball on June 28, 2008 at the Peppermill Hotel/Casino in the new Tuscany Ballroom**. Attendees are encouraged to wear sneakers with their finest attire, while enjoying a night of music, comedy, incredible food, drinks, and contests.

We are extending an invitation to you or your company to be a part of this year's extraordinary event. Through Sponsorship, Auction Donations, and table/ticket purchases, your support will help increase patient services in our community as well as fund important educational programs and crucial research projects throughout the country. During our last fiscal year, the Reno/Sparks office of the American Cancer Society provided over 1000 patients with free services such as transportation, hospital and home visits, gift items and guest rooms for patients and their families undergoing treatment.

This year 1.3 million Americans will be diagnosed with cancer. As champions in the fight against cancer, you will help bring the American Cancer Society closer to meeting its 2015 goals:

- Reduce the number of people diagnosed with cancer by 25%
- Reduce cancer deaths by 50%
- Improve the quality of life for cancer patients

For more information, please contact the local American Cancer Society office at 775-329-0600. We expect this *one of a kind event* to be a sellout. Thank you in advance for your support of the ***Suits and Sneakers Ball*** this year. *Together we will win the war on cancer!*
